DESIGNATED PARTY RELEASE

We request that you complete this form when consenting for us to leave detailed verbal information (results of labs, x-rays, prescription refills, etc.) on your home answering machine, voice mail at work, cell phone, or with another party that you choose to designate.

This form does not allow copies of your medical records to be released. To release copies of your medical records, you must complete a Request & Authorization for Use/Disclosure of Protected Health Information form.

Note: The "Health Care Providers Guide-Communicating with a Patient's Family, Friends, or Others Involved in the Patient's Care," the U.S. Dept. of Health and Human Services, Office for Civil Rights, provides the following information: Even though HIPAA requires health care providers to protect patient privacy, providers are permitted, in most circumstances, to communicate with the patient's family, friends, or others involved in their care or payment for care, without obtaining written authorization from the patient. You can find more information about HIPAA at this website: http://www.hhs.gov/ocr/hipaa.

YOU MAY REFUSE TO SIGN THIS AUTHORIZATION

Dear Patient.

We are delighted that you have selected us to be your health care provider. To ensure that we provide you with exceptional service with your healthcare and billing needs, please take a few moments to read and sign the following information.

Registration

Cone Health Primary Care works on appointment/same day work in basis. Please call ahead for same day work in availability time. Office hours are 8:00 am - 5:00 pm Monday through Friday. The office is closed for business between the hours of noon - 1:00 pm and closed on the weekends. Please make note that there is a fee of \$50.00 if you do not show for your scheduled appointment and for cancelled appointments if not notified 24 hours prior to your original appointment. If you have 3 no shows you will be discharged from our practice.

New patients should arrive 30 minutes prior to actual appointment time to fill out paperwork. If you are more than 10 minutes late for your appointment, we may ask that you reschedule your appointment. If you wait more than 10 minutes in the waiting room, please ask the receptionist if there is a delay in the physician's schedule.

Billing/Insurance

Please be advised that the billing and insurance filing of the services provided in our office is managed by the Billing and Profees Department. If you have any questions with regards to your account/balance please call 844-566-1324 (Toll Free).

Your insurance will be filed for all Office visits including Nurse Visits and a co pay will be collected at the time of service. All in house labs are referred to Solstas Laboratory Network located on the lower level of our MedCenter building.

As a courtesy, we will file a claim to your insurance company, and it is your responsibility to provide proof of insurance coverage. If you cannot provide proof of insurance, you will be responsible for payment of the bill at the time of your visit.

Please make note that it is the patient's responsibility to notify our office if your visit is related to a Worker's Compensation Case and if you have notified your present employer of the injury. We will file with your insurance until you advise us that your employer will cover your visit as a Worker's Compensation incident.

Visit with your Doctor

Please bring all medications, vitamins, mineral pills, etc., you take to each visit. If you need your medicine refilled, please call your pharmacy/drug store first. Please allow 24 hours for all refill requests called in to our office.

If you need to reschedule a referral visit please call the Specialist Office directly that will be provided to you by the referral coordinator. To obtain your results from a referred Specialist Office please call their office directly for results. We will contact you with all STAT labs and abnormal results.

Emergency Contact/After Hours

Please call 911 or go to the nearest Emergency Room if you have a life-threatening emergency. Otherwise, dial 336-992-1770 to reach the on call physician. Please make note that no prescriptions will be filled after regular business hours.

Customer Service

Your feedback is important to us as our team strives to be the le Provider.	ading choice as your Primary Care
Thank you for your patronage,

CONTROLLED MEDICATIONS PRESCRIPTION POLICY

Since the inception of North Carolina's STOP ACT in July 2017, Cone Health Primary Care Kernersville no longer uses narcotic pain medication or other controlled substances when treating new patients with chronic pain or chronic medical issues. We do treat new patients with chronic pain using non-narcotic medicines, physical therapy and other modalities, depending on the condition.

We reserve narcotic pain medication as an occasional tool for pain management to improve function while a patient is recovering from an <u>acute</u> injury or condition. Cone Health Primary Care may prescribe a narcotic pain medication for temporary relief of acute pain (5 days or less) or for an injury that will require surgical intervention.

We have created this policy because there is growing concern among medical providers regarding the safety of these medicines with risk for overdose and addiction.

We will not replace a stolen or lost prescription for narcotic pain medicine or other controlled substance.

The following medications are not prescribed at this clinic: Suboxone, Nucynta (Tapentadol), Demerol, Methadone, and MS Contin. This list is not comprehensive.

This clinic reserves the right to restrict all controlled substance medications based on safe and appropriate medical care for our patients.

Cone Health Primary Care Kernersville utilizes the North	Carolina Controlled Substance Reporting Database.
I acknowledge that I have read, understand and will Controlled Medications Prescription Policy.	abide by the Cone Health Primary Care Kernersville
