

CONE HEALTH REHABILITATION CENTER Stroke Program

Report Card 2023

OUR PROGRAM

Making a decision about where to receive care can be a difficult decision to reach. Inpatient Rehabilitation is part of a strong continuum of care starting with acute care and ending with outpatient therapy and Physical Medicine and Rehabilitation follow up. Rest assured if you choose Cone Health Rehabilitation Center we will treat you and your family like our own. We want to exceed your expectations and will plan your care around meeting your goals. Below are a few highlights about our program:

- Board Certified Physical Medicine and Rehabilitation physicians.
- Valet services.

ACCOMMODATIONS

We have flexible visiting hours and encourage family members to participate in your care. We have specially equipped beds to help reduce falls. We perform hourly rounding to ensure your safety and comfort and provide sleeper recliners and cots so your family member can stay with you.

Satisfaction With Program

At discharge, people with stroke rate service as 4.06 stars.¹
